Data collection of Lithuanian wetlands and peatlands

Information on areas of bogs and peatlands, data on the type of peat layer, peat quarries and mining areas, peatland areas drained by ditches and drainage and their condition.

An aerial photograph of a forest landscape with several small ponds and a wooden boardwalk. A large, semi-transparent brown circle is overlaid on the center of the image, containing the title 'Goals' and a list of two bullet points.

Goals

- Strategy of Sustainability
- Earlier partly recultivation
